1. OPEN PUBLIC MEETINGS ANNOUNCEMENT BY CHAIRMAN:

In compliance with the Open Public Meetings Act, this is to announce that adequate notice of this meeting was provided in the following manner:

On January 2, 2008 advance written notice of this meeting was posted on the bulletin board in the main lobby in the Town Hall; was mailed to the Burlington County Times and the Courier Post; was filed with the Clerk of Lumberton Township and was mailed to all persons who requested and paid for such notice.

Please note that unless otherwise modified by Resolution of the Land Development Board, all meetings shall begin at 7:30 p.m. and no new matter shall be initiated after 11:00 p.m., except where the Land Development Board, by majority vote of those present, shall specifically authorize the extension of the meeting beyond 11:00 p.m.

Those testifying before the Board on any application are required to be sworn in. The Board's Engineer and Planning Consultant have taken an oath upon their appointment and their testimony on an application is under oath on a continuing basis.

Status: July 24, 2007 – Revised site plan signed by Township Engineer.
Pending signature from board chairman and board secretary.
Status: September 4, 2007 – Plans have been signed pending posting
of Performance Bond and inspection escrow.
Status October 11, 2007 – Same
Status November 8, 2007 – Same
Status February 8, 2008 – Site visit occurred and it appears that he is storing
Material and has proceeded with some of the required conditional improvements
without posting the required bond and escrow. 2/14/08 Sent out violation notice.
Status March 11, 2008 – Mr. Cave came into the office and explained what is
happening at the site. He will be using the material that is piled on the site for
the base for the parking area, he will be posting his bond and escrow by mid
-summer. I cautioned him that the use of this site for anything other use than the
maintenance of trucks would not be permitted until he has posted his bonds
and escrow I further explained that no improvements should be made to this
site until the bonds and escrow have been posted. He did put the concrete
barrier up along the rear of the property because he had an opportunity to buy
the material at cost.
4/10/08 – Called Mr. Cave and asked that he put in writing a time frame and
status of work and uses at this site.
5/05/08 – Spoke with Mr. Cave and he has made some progress with site in
regards to the material at the site. He will be posting the bond and escrow in the

beginning of June.
6/10/08 – Nothing new to report
