RE: Municipal Park Development Program
Unspent Balances

Dear Mr. Umba:

This letter is in response to your letter of June 6, 2016 requesting approval to reallocate balances of prior years' grant funds to the reconstruction of the Westminster Drive Playground. Lumberton Township had submitted an application to the Municipal Park Development Program in 2015 for funding for reconstruction of the Westminster Drive Playground and the Turnbridge Drive Playground but the grant award only funded the reconstruction of Turnbridge Drive.

I am pleased to advise you that your request to reallocate funds remaining under the 2012, 2013, and 2014 grant awards is hereby approved for the purpose of reconstructing the Westminster Drive Playground.

I understand that the 2014 grant funded project is complete and that the Township will be submitting documentation seeking reimbursement for the full cost of that project shortly. I wish you success in completing the playground reconstruction projects and ask that you keep my office apprised of your progress. Thank you.

Sincerely yours,

Mary Pat Robbie
