INSTRUCTIONS FOR APPLICATION
OBTAINING COPY OF GENEALOGICAL VITAL RECORDS

New Jersey Department of Health
Vital Statistics and Registry
P.O. Box 370 - Trenton, NJ 08625-0370

- **Genealogical Records** are birth occurring more than 80 years ago (unless the individual is still living), marriages occurring more than 50 years ago and deaths occurring more than 40 years ago.
- **Certified copies** have the raised seal of the office issuing the record and are always issued on State of New Jersey safety paper. Certified copies may be used to establish identity and are legal documents.
- **Certifications** are issued on plain paper with no seal and clearly indicate they are not valid for establishing identity or for legal purposes. Certifications are generally useful for genealogy. Certifications of death records do not contain the Social Security Number or the Cause of Death medical terminology.
- **Apostille Seal** – An Apostille Seal is an additional seal required for certain certified records that will be presented to a foreign government that is a member of the Hague Treaty. The seal is often required on documents for international adoptions or establishing dual citizenship. Contact the consulate of the country involved to determine if you need an Apostille Seal.

To get an Apostille Seal, first obtain a certified copy of the vital record from the State Office of Vital Statistics and Registry by checking the Apostille Seal box on the application. You will receive a certified copy of the vital record issued by the State Office of Vital Statistics and Registry. **You must forward this document to the [New Jersey Department of Treasury](http://www.state.nj.us/treasury/revenue/apostilles.shtml), which issues the Apostille Seal.** Additional information is available at:
(<http://www.state.nj.us/treasury/revenue/apostilles.shtml>)
